

# DIVISION OF INDUSTRIAL SAFETY PERMIT CERTIFICATION

**JOB ADDRESS:** \_\_\_\_\_ LOMPOC CA.93438  
**LICENSED CONTRACTORS DECLARATION:** License Class \_\_\_\_\_ License # \_\_\_\_\_

I affirm that I am licensed under the provisions of Chapter 9 (commencing with Section 700) of division 3 of the Profession Code and my license is in full force and effect.

Contractor \_\_\_\_\_ Signature \_\_\_\_\_

**OWNER DECLARATION:** I hereby affirm that I am the legal owner of the property mentioned above.  
Print Name \_\_\_\_\_ Signature \_\_\_\_\_

**DIVISION OF INDUSTRIAL SAFETY PERMITS CERTIFICATION.** The California Health and Safety Code Requires a Division of Industrial Safety Permit as a prerequisite to permit issuance unless the applicant sign one of the certificates below.

\_\_\_\_\_ I certify that no excavation 5 feet or more feet in depth, into which a person is required to descend will be made in connection with work authorized by this permit, and that no building, structure, scaffolding, false work, or demolition or dismantling thereof will be more than 30 feet high.

\_\_\_\_\_ As owner builder I will not employ anyone to do work which would require a permit from the Division of Industrial Safety, as noted above unless such person has a permit from that division.  
Department of Industrial Relations Phone # (805) 654-4581, 1655 Mesa Verde, Suite 150, Ca 93003

**HAZARDOUS MATERIALS QUESTIONNAIRE.** Health and Safety Code Section 19827.5, and Assembly Bill 3205 requires that the permit applicant provide certain information to the Building Division before a permit is issued.

- I. **DEMOLITION PERMITS:** Before a demolition permit is issued for any building or structure, a copy of asbestos notification by the local environment protection agency must be received by the Building Division.

\_\_\_\_\_ I declare that the notification is not required nor applicable to the project or the work to be performed.

- II. A permit issued by the local air quality district may be required with certain types of occupancies, if the applicant has any of the following conditions:

- \_\_\_\_\_ 1. Does your facility use any internal combustion engines greater than 50-hp?
- \_\_\_\_\_ 2. Does your facility involve mixing, blending, or processing any solvents, adhesives, paints, or coatings?
- \_\_\_\_\_ 3. Does your facility refine any liquids or solids?
- \_\_\_\_\_ 4. Does your facility have any combustion equipment rated greater then 2,000,000 btu/hr?
- \_\_\_\_\_ 5. Does your facility handle or store solvents or motor fuel?
- \_\_\_\_\_ 6. Does your facility create dust or smoke?
- \_\_\_\_\_ 7. Does your facility use any chemical process?
- \_\_\_\_\_ 8. Are you a dry cleaner, restaurant with a charbroiler, body shop, gas station, printer, or part coater ?
- \_\_\_\_\_ 9. Is the subject building located within one thousand feet of any school?

If you have answered no to all the question you do not need a Air Quality Permit at this time. If you have answered yes to any question. You need to contact the Local Air Pollution Control, 26 Castilan Dr. Goleta Ca (805) 961-8800

I certify that I have read this application and state that the above information is correct. I agree to comply with all City and State Laws relating to building construction and hereby authorize representatives of this City and County to enter upon the above mention property for inspection purposes: Signature of applicant or Agent:

Signature \_\_\_\_\_ Date \_\_\_\_\_ Validity of Permit.

The issuance or granting of a permit or approval of plans, specification and computations shall not be construed to be a permit for or an approval of any of the provisions of State or City Code. Permits presuming to give authority to violate or cancel the provisions of this code or other ordinances of the jurisdiction shall not be valid. This permit, when properly filled out, signed and validated is subject to expiration if work thereunder is not commenced within 180 days or thereafter work is suspended or abandoned for 180 Days.
