

Invitation to Bid No. 2862 - ADDENDUM No.1
Triennial Requirements – Liquid Caustic Soda
The DATE TODAY IS: Wednesday, February 7, 2018

The following are responses prepared for questions submitted with regard to ITB #2862. We are releasing this Addendum to address these questions and for all registered bidders to have access to the same information.

- Would you please help clarify the pricing firmness on this bid? Based on the way this is written, the City is asking for firm price throughout the terms of the contract, which is three-years. Plus, any renewals at same price, terms and conditions. Is this correct?
- Is pricing firm for the full 3 years? We would like to request that pricing be reviewed annually and adjusted as needed due to current rapid changes in the market.

The city is looking to create a three year contract agreement. We are asking that if pricing can be fixed for three years, please state the amount on your response. If not, please submit your best offer (including fixed term + any required increases) and we will evaluate all responses.

Thank you

Theresa A. Hernandez
