

**ITB No. 2871 – Sludge Hauling Services
ADDENDUM NO. 1
Bid Closing is April 30, 2018 2p.m.
THE DATE TODAY IS: Tuesday, April 24, 2018**

Please note the following changes, additions and/or deletions to this procurement named above.

The following questions relative to ITB No. 2871 have been received by our office and responses are as outlined below:

- Will this work be DIR project/prevailing wages? If not, what are the wage guidelines we need to use? *This is not a public work, so DIR registration is not required. Prevailing wages also are not required.*
- -"General Terms and Conditions" 6F – Proof of driver training on hazardous substances. *The water plant sludge is approved for use as a daily ground cover and is not considered hazardous waste. This section 6f is to be omitted from the specifications.*
- Would this be a Hazmat Ground Shipper Certification (DOT) (49CFR)? If not, what qualification are you expecting? *The sludge is not hazardous so a DOT Certification is not required. All drivers must be trained in the hazards and safe handling of biosolids.*

This addendum may be returned separately from **ITB No. 2871 – Sludge Hauling Services**. Addendum may be faxed to (805) 735-7628.

Thank you,

Theresa Hernandez
