COMPLIANCE The bidder’s compliance column included in the specifications must be completed to show compliance or deviation.

COOPERATIVE PURCHASING: The successful bidder may agree to extend all terms and conditions to other tax-supporting agencies upon their request. These agencies will issue their own purchase order and be billed directly by supplier. Bidder’s agreement or disagreement must be stated on bid form and will not affect bid evaluation. () Yes () NO

SUBMIT: A complete specification, published literature and photos or illustrations of unit proposed, shall be furnished with bid.

Only new models in current production, which are catalogued by the manufacturer and for which printed literature and specifications are available, will be accepted.

All equipment and components listed as standard by the manufacturer for the model quoted shall be furnished whether or not such items are detailed herein, e.g., special wrenches, tool kits, jack – adequate to safely lift the vehicle when loaded to rated capacity, etc. All optional equipment defined as necessary to meet the following requirements of this specification shall also be supplied.

The original dealer’s Report of Sale shall be furnished to the consignee at time of delivery of the vehicle(s) before payment can be made.

Vehicle/unit will be inspected before acceptance by an authorized representative of the City of Lompoc for workmanship, appearance, proper functioning of all equipment and systems and conformance to all other requirements of this specification. If deficiencies are found, it shall be the responsibility of the vendor to pick up the vehicle/unit, make necessary correction and redeliver the vehicle/unit for re-inspection and acceptance. Payment and/or commencement of a discount period (if applicable) will not be made until corrective action has been made.

WARRANTY SERVICE: The nearest warranty service center should be within a 30 miles radius of the City of Lompoc's Corporation Yard. If the warranty center is outside the 30 mile limit, the costs for servicing warranties will be considered in the overall vehicle costs. Costs will be calculated at \$1 per mile with an average of 3 warranty/recalls per standard warranty period.

Contractor must be prepared to honor the manufacturer's standard warranty. Indicate warranty term here and enclose standard warranty documents with your bid.

Bidder is requested to quote on a 3-year and 5-year extended warranty/maintenance agreements available after expiration of the warranty term.
