

Below is the list of items that were discussed at the January 8, 2014, Parks and Recreation Commission meeting's Community Needs Assessment to evaluate projects appropriate for RDA bond proceeds and reflects the priorities voted on by the Parks and Recreation Commission. The Needs Assessment was posted on the agenda for the regularly scheduled Commission meeting and was on the front page of the Lompoc Record on January 7, 2014. It is important to note that many of the groups expressed concerns, issues and complaints to the Parks and Recreation Commission throughout the year.

Name of Citizen and/or Commissioner	Request	Status of Request
Don Pommerville	<ul style="list-style-type: none"> • Items to renovate the classroom at the Lompoc Aquatic Center to the "Snack Shack" 	<ul style="list-style-type: none"> • This renovation is not consistent with the guidelines of the funding
Jenelle Osborne	<ul style="list-style-type: none"> • Aquatic Center Snack Shack • Dick DeWees Community & Senior Center Catering Elements • Ryon Park Fields 	<ul style="list-style-type: none"> • Repeat Request • Already Being Completed • Sports Fields at Ryon Park not considered due to the events / festival activity and location of rides
Andrew Figueroa	<ul style="list-style-type: none"> • Thompson Park • Athletic Turf to include sod, irrigation, gopher wire • Brick Dust (not included in the list...assumed) 	<p>This project is second on the priority list because of the need of its users and the benefit to the citizens. Renovation of this one softball field and surrounding area of the park would not increase economic impact from outside of our community, but could increase the league participation that would purchase equipment needed to participate in the sport. Taken in conjunction with renovation of the LVMS softball field, it would have a higher economic impact in attracting tournaments.</p>
Steve Pepe	<ul style="list-style-type: none"> • Encouraged the Commission to choose projects that will increase sales and bed tax revenue
