Chapter 17.064

I INDUSTRIAL DISTRICT

Sections:

- 17.064.010 Purpose.
- 17.064.020 Definitions.
- 17.064.030 Uses Permitted.
- 17.064.040 Uses Permitted Subject to Obtaining a Conditional Use Permit.
- 17.064.050 Property Development Standards.
- 17.064.060 Allowable Land Use and Permit Requirements.

17.064.010 Purpose.

- A. I—Industrial Zoning District. This zone is intended to provide for light industrial, manufacturing, and limited accessory uses. The intent is to encourage sound industrial development in appropriate areas and to provide development standards to protect adjacent commercial districts. The I zoning district is consistent with the industrial designation of the General Plan Land Use Element.
- B. BP—Business Park Zoning District. This zone is intended to provide for planned industrial complexes in appropriate areas with sound development standards. The intent is to have primary users share common building complexes with common sign programs, building architecture, utility networks, and landscape areas in compatibly planned developments. The BP zoning district is consistent with the business park designation of the General Plan Land Use Element. (Prior code § 8300)

17.064.020 Definitions.

The following definitions are required for the proper administration of provisions of the Industrial (I) and Business Park (BP) zones and are meant to apply exclusively thereto:

- A. Accessory buildings/structures may be allowed as a part of an approved development plan, provided that they are architecturally treated to be consistent with the main building consistent with the City Architectural Review Guidelines. Temporary buildings/structures may be permitted with a temporary use permit from the Community Development Department for a period not to exceed 12 months.
- B. **Limited accessory uses** shall mean those limited accessory uses (including office, showroom, and retail) that are permitted, conditionally permitted, or allowed because of the direct relationship to the primary industrial uses allowed. This category of land use will be allowed in conjunction with permitted or conditionally permitted uses provided the floor area for the accessory use does not exceed 15 percent of the gross floor area of the primary industrial use.
- C. **Outdoor storage** shall mean a storage area that is adequately screened with walls and landscaping and does not contain more than 50 percent of the primary use site area. No material shall be stored to a height greater than the height of the required wall or fence within ten feet of the required wall or fence. (Prior code § 8301)

17.064.030 Uses Permitted.

- A. General classes of use for the I Industrial Zoning District include:
 1. Manufacturing;
 2. Processing;
 3. Wholesale, warehousing, and storage;

4. Utilities; and
 5. Commercial services.
- B. General classes of use for the BP—Business Park include:
1. Light industrial;
 2. Manufacturing;
 3. Administrative offices;
 4. Research and development; and
 5. Wholesale, warehousing, and storage.
- C. See Section 17.064.060 for expanded use list and permitting requirements. (Prior code § 8302)

17.064.040 Uses Permitted Subject to Obtaining a Conditional Use Permit.

- A. The uses that the Planning Commission finds to fall within the intent and purpose of the zoning district that will not be more obnoxious or detrimental to the public welfare, and which are of a comparable nature and of the same class as those identified in Section 17.064.060 shall be allowed with a conditional use permit.
- B. See Section 17.064.060 for expanded use list and permitting requirements. (Prior code § 8303)
