Mr. Paul Martinez  
Project Manager  
Purisima Road Safety Improvement Project  
50 Higuera Street  
San Luis Obispo, CA 93401

Dear Mr. Martinez,

The City of Lompoc would like to thank you for holding Public Meetings at Lompoc City Hall on the Purisima Road Safety Improvement Project in 2008 and 2009. We commend Caltrans for funding a safety improvement project at the intersection of Purisima Road and State Highway 246.

The City of Lompoc opposes the construction of the proposed roundabout and urges you to select an alternative safety improvement such as a traffic signal or lane widening with re-striping.

If you have any questions, please contact Larry Bean, City of Lompoc Public Works Director, at (805) 875-8230.

Respectfully,

John H. Linn  
Mayor, City of Lompoc
