

CITY OF  
**LOMPOC**

March 9, 2016

To: Mayor Lingl and Honorable Members of the City Council  
From: The Lompoc Beautification & Appearance Commission  
Subject: Annual Report

The Beautification & Appearance Commission held seven (7) regular meetings, between January through December 2015. All regular monthly meetings are held on the second Wednesday of the month at 7:00 p.m. In March the meet time was changed to 6:30 p.m. In addition to regular meetings, the Commission held three (3) Special Meetings and various community events. A list of these special meetings and community events are attached for your review.

Total revenue received by the Beautification & Appearance Commission for the 2015 calendar year was \$1,391.67. These contributions are independent funds, generated through public donations, interest income and fund raising. All programs of the Commission are self-supporting and operate without contributions from the City. A detailed report of Commission projects and donations is attached for your review.

A continued service of the Commission is review of discretionary services provided by Urban Forestry. These services include tree maintenance, planting and removal.

It has been a sincere pleasure for all of the Commissioners to serve our City over the last year. We look forward to another year of beautification in Lompoc. As always, the Beautification & Appearance Commission welcomes comments and suggestions for improving and expanding our services to the citizens of Lompoc.

Respectfully Submitted,
