CA Dept. of Finance, Demographic Research Unit latest E-5 Report from 1975-1999

**Note: This information was obtained by the CA Dept. of Finance prior to 1986 and had been obtained from 1986 to 1999 by the City's Planning Staff each January directly from the USP and FCI. The numbers include inmates, employees, and employee family members that reside at these institutions.

¹ Starting in 2000 to present, data for prison population is acquired by subtracting total City population from non-prison population. Source: California Department of Finance, *Price and Population Information* data, released May 1 of each year. Link: <http://www.dof.ca.gov/budgeting/>
