

*CITY OF LOMPOC  
PLANNING COMMISSION  
ANNUAL REPORT*

*FY JULY 1, 2010 TO  
JUNE 30, 2011*

*Prepared for City Council  
by Planning Commission and Planning Division Staff  
June 2011*

## ***Planning Commission Functions:***

The Planning Commission has authority over planning and zoning matters as set forth by City Code and State law. The Planning Commission makes recommendations to the City Council regarding general plan amendments, zone changes, planned developments, and amendments to the Zoning and Subdivision Ordinances. The Commission may approve, conditionally approve, or deny applications for tentative subdivision maps, development plans, architectural plans, conditional use permits, and variances. The latter items are reviewed by the City Council only on appeal. The Commission also performs environmental review in accordance with the California Environmental Quality Act in conjunction with review of applications.

The Planning Commission works with the City Planning Division staff to identify methods to improve the development review process and clarify City Codes. The Commission also provides interpretation and policy guidance to the Planning staff to achieve fair, consistent application of zoning and architectural review ordinances.

**GP 07-04 – COMPREHENSIVE GENERAL PLAN UPDATE**

Planning Commission consideration of the following:

**EIR 09-01** – The Final Environmental Impact Report (FEIR), prepared by Rincon Consultants, Inc., for the City of Lompoc Comprehensive General Plan Update was circulated through the State Clearinghouse (SCH No. 2008081032) pursuant to the requirements of the California Environmental Quality Act (CEQA) The study area evaluated in the FEIR consists of areas within current City Limits and four (4) potential annexation areas;

**GP 07-04** – A General Plan Amendment to adopt the Phase 1 General Plan Elements (Land Use and Circulation) and to amend the City of Lompoc Land Use Element Map; and

**ZC 10-01** – A Zone Change to amend the City of Lompoc Zoning Map to achieve consistency with the Land Use Element Map.

The proposed changes are necessary to achieve consistency with the proposed General Plan Land Use Element Map; however, the parcels for which the zoning is proposed to be changed are parcels where the current zoning is inconsistent with the existing General Plan Land Use Element Map. Copies of the maps showing specific parcels are available at City Hall at the Planning Division Counter, at the Main Library Reference Desk; or on the City of Lompoc website at:

<http://www1.cityoflompoc.com/planningagenda/2010/100609/100609n3a3a.pdf>.

The Zone Change is a component of the General Plan Update.

Planning Commission will formulate a recommendation to the City Council. Due to the amount of material to be considered and the complexity of the issues at hand the Planning Commission may continue the discussion to an adjourned regular meeting on July 28, 2011
