From: The Lompoc Beautification & Appearance Commission  
Subject: Annual Report

The Beautification & Appearance Commission held nine (9) regular meetings, between January through December 2018. All regular monthly meetings are held on the second Wednesday of the month at 6:30 p.m. in the Administrative Conference Room located at City Hall. In addition to regular meetings, the Commission held three (3) Special Meetings and various community events. A list of these special meetings and community events are attached for your review.

Total revenue received by the Beautification & Appearance Commission for the 2018 calendar year was \$1,236.93. These contributions are independent funds, generated through public donations, interest income and fund raising. All programs of the Commission are self-supporting and operate without contributions from the City. A detailed report of Commission projects and donations is attached for your review.

It has been a sincere pleasure for all of the Commissioners to serve our City over the last year. We look forward to another year of beautification in Lompoc. As always, the Beautification & Appearance Commission welcomes comments and suggestions for improving and expanding our services to the citizens of Lompoc.
