City Council Meeting Date: September 19, 2006

TO: Honorable Mayor and Members of the City Council

FROM: Gary P. Keefe, City Administrator

**SUBJECT: REVISION OF SCOPE OF UTILITY COMMISSION'S
ADVISORY FUNCTION TO INCLUDE BROADBAND**

RECOMMENDATION:

It is recommended that the Lompoc City Council waive further reading and introduce Ordinance No. 1536(06), an Ordinance of the City of Lompoc amending City Code Section 3323.B to modify the general function of the Utility Commission to include advisory duties for the City's broadband utility.

DISCUSSION:

On September 5, 2006, Councilmember Janice Keller requested that the general functions definitions for the City of Lompoc Utility Commission be modified to include the City of Lompoc's broadband utility system. The attached ordinance amends Subsection B of Section 3323 of Division 3 of Article 1 of Chapter 33 of the Lompoc City Code and accomplishes the task requested.

Respectfully submitted,

Gary P. Keefe
City Administrator
