SUBJECT: CITY OF LOMPOC 2005 GENERAL PLAN ANNUAL REPORT –
PROGRESS STATUS OF IMPLEMENTING GENERAL PLAN POLICIES

RECOMMENDATION:

That the City Council accept the 2005 General Plan Annual Report and direct the Community Development Department to file said report with the Office of Planning and Research (OPR) and the Department of Housing and Community Development (HCD).

BACKGROUND:

On August 14, 2006, the Planning Commission recommended that the City Council receive the 2005 General Plan Annual Report and direct the Community Development Department to file said report with the Office of Planning and Research (OPR) and the Department of Housing and Community Development (HCD).

DISCUSSION:

The Annual Report informs the City Council and Planning Commission on the status and progress of implementing the City's General Plan. It outlines the work program for the planning period and provides the opportunity to adjust implementation priorities established in the work program.

Pursuant to California Government code Section 65400, the "planning agency" (Community Development Department) shall submit an annual report to "legislative body" (City Council), State Office of Planning Research, and State Department of Housing and Community Development.
