**SUBJECT: RESOLUTION TO CLOSE PORTIONS OF OCEAN AVENUE
AND H STREET FOR THE LOMPOC HIGH SCHOOL
ALUMNI CRUISE NIGHT - JULY 8, 2005.**

RECOMMENDATION:

That the City Council adopt Resolution No. 5265(05), and authorize the Street Superintendent to obtain the necessary Encroachment Permits from Cal Trans for the Highway Closure for the Lompoc High School Alumni Cruise Night.

BACKGROUND:

The City received a formal written request from the Lompoc Valley Chamber of Commerce, on behalf of the Lompoc High School Alumni Association, seeking the City's assistance in closing a portion of Ocean Avenue for the upcoming Alumni Cruise Night, in conjunction with the opening of the Old Town Market.

Approval of this Resolution will allow the City to coordinate with Caltrans to close down the City streets (Ocean Avenue & "H" Street), which is impacted by the Alumni Cruise Night activity. As a footnote, with the City as the applicant, no fee is required for the permit, whereas if the Lompoc Valley Chamber of Commerce were the applicant, a fee would have to be paid to the State. The Lompoc Valley Chamber of Commerce will provide the insurance for the Alumni Cruise Night, naming the City and the State

of California as additional insured's and holding the City and the State harmless for liability.

The Chamber of Commerce has also requested that the City Street Division provide, set up and remove the traffic control system (signs and barricades) required for the street closure. The cost estimate for the City to provide this closure is \$2,343.77.
