

Lompoc City Council Agenda Item

City Council Meeting Date: October 4, 2005

TO: Gary Keefe, City Administrator

FROM: Ray Ambler, Purchasing and Materials Manager
r_ambler@ci.lompoc.ca.us

SUBJECT: Award of a Contract to Purchase a Truck Mounted Sewer Cleaner for \$314,422.50

RECOMMENDATION: that the City Council: Approve the award of a contract to purchase one Truck Mounted Sewer Cleaner from Haaker Equipment Company of La Verne in the amount of \$ 314,422.50 and authorize the Purchasing and Materials Manager to issue a purchase order.

BACKGROUND AND/OR DISCUSSION: The City Of Lompoc purchases scheduled replacement Truck Mounted Sewer Cleaners periodically for use by the Wastewater Division. In 2004, proposals were invited from potential suppliers. Ten proposals and alternates were received. The Vactor 2115 Sewer Cleaner from Haaker Equipment Company was the highest rated proposal. It was purchased, delivered, is currently in the fleet and operating successfully.

The City has another scheduled replacement sewer cleaner budgeted for the 2006-2007 budget. The prices, terms and conditions quoted in the 2004 proposal are available for units ordered now, but delivered after July 1, 2006. This award authorizes preordering the sewer cleaner approved in the budget to take advantage of an expiring contract.

Staff therefore recommends that the City Council approve the award of a contract to purchase one Truck Mounted Sewer Cleaner from Haaker Equipment Company for delivery after July 1, 2006. This award has been reviewed and recommended by Anthony Garcia, Fleet Services Manager. Funds for this purchase are available in Account Number 73000-75000.

Ray Ambler, Purchasing and Materials Manager
