DR 17-06 – Sobhani Industrial Warehouse

A request from Morris Sobhani, property owner, for Planning Commission consideration of a proposal to construct a 15,000 square foot building intended to be used for storage, production, and operation of commercial industrial businesses. The project site is 0.90 acres and is located at 424 Commerce Court (APN: 093-450-008) in the *Business Park (BP)* Zoning District. This action is categorically exempt pursuant to Section 15332 (In-fill Development Projects) of the California Environmental Quality Act (CEQA).

Assistant Planner Cody Graybehl summarized the written staff report.

OPEN PUBLIC HEARING

Morris Sobhani, project proponent, mentioned that the lower 4' of the building will be masonry block, it is protective and attractive. The property has been vacant since 1985, we currently have two prospective tenants that would like to move into the new building in August/September. When this was explained to City staff they have been very cooperative and business friendly. The "Wine Ghetto" seems to be the center where the tasting rooms are located, here at Commerce court is secluded, tasting rooms and the traffic impacts they create are not anticipated here.

Chair Fink asked if Mr. Sobhani had reviewed the Conditions of Approval.

Morris Sobhani, project proponent, yes he had read the Conditions of Approval.

CLOSE PUBLIC HEARING

Commissioner Leach commented that she appreciated there was more parking than required, in case there is a change of use in the future.

Commissioner Gonzales commented the Conditions of Approval has listed a set constructions hours, with the Planning Division, having authority to grant deviations from the standard hours. I would like to send a clear message or support for flexibility of construction hours given the remote location of the project and time constraints mentioned by Mr. Sobahni.

Chair Fink and Commission Rodenhi agreed.

MOTION: It was moved by Commissioner Fink, seconded by Commissioner Leach, that the Commission adopt Resolution No. 873 (17) approving a Development Plan (DR 17-06), based upon the Findings of Fact in the Resolution, and subject to the attached Conditions of Approval.
