**6. Library Support Activities**

**A. Friends of the Lompoc Public Library System**

Friends President Cathy Rudolph reported that the next book sale is set for October 17-19, election of officers will be held at their October board meeting, their next disbursement to the library will be made in November, and Lompoc Civic Theater has agreed to do another benefit performance for the Friends on November 15, 2019 in the Ellery Room at the Mission Country Club. She also announced that she will not be a candidate for re-election but will stay on in the non-voting *ex officio* ex-president position and will still be helping wherever and whenever she can. Commissioners thanked her for her years of leadership and support.

**B. Library District Libraries Foundation**

A report was not provided by the Foundation. The library director advised that the Foundation board meeting will be held on October 10, 2019. The Foundation recently reported that they sold the note to the property owned by Charlotte Benton and per the MOU, the proceeds of \$192,000 to benefit the bookmobile, will be turned over to the City. They plan to make this presentation at the November 5, 2019 City Council meeting.

**7. Correspondence**

None.

**8. Business**

**A. Fundraising for the Village Library**

The Library Director reviewed the staff report. All commissioners agreed to continue the fundraising campaign with a letter more strongly expressing the situation and the need for local people to be part of supporting the library. Commissioner Gerald did not think that a letter once a year was enough to make a difference. It was suggested that an allied group, to include community residents, homeowner’s association members, and VVA (Vandenberg Village Association) members, meet with staff and explore creative things to bring people into the library while still continuing the professional service status and fundraising ideas that might be beneficial. Staff agreed that programs are a draw but with the budgeted single staff schedule, it’s difficult to add programs. Currently the county has a number of ad hoc groups in place to review the funding criteria for all county libraries.

Commissioner Stassi asked about VVA having a separate library group to bring attention to the library. The library director shared that a Village Library Friends group would need to have their own 501(c)(3) and there would need to be a relationship with library staff for how donations are spent.

On a separate note, the library director reported that she has been in contact with County facility maintenance staff regarding the condition of the carpet and was recently notified that a bid for new carpet will be requested this year.

**9. Library Director’s July, August, September report and updates**

The library director presented the staff report. In addition to the written report, commissioners were informed that Xochitl Rocha, Youth Services Librarian, has accepted a new job and October 25, 2019 will be her last day of work. A new bookmobile public stop at Hapgood Elementary School has been added with 90 guests on their first visit.

**10. Roundtable**

Commissioner Gerald reflected on the great job that librarian Rachell Frazian is doing with bookmobile programs. She also commended Friends President Cathy Rudolph on her great leadership.

**11. Adjournment**

Chairperson Ruhge adjourned the meeting at 11:11 AM. The next regular meeting is scheduled for Tuesday, November 12, 2019 at the Lompoc Public Library, 501 E. North Ave., Lompoc, at 10:00 AM.

I am a native Californian, but left at about six months old to travel the world as an Air Force brat! I returned to CA as an adolescent & after a trip to see the “Pageant of the Masters” in Laguna Beach, I decided I wanted to paint. My (not yet) step-father gave me a set of oils for my 16th birthday! After taking an art class in summer school between my Jr. and Senior years, I decided I wanted to major in art in college. In 1970 I graduated from Cal State Long Beach with a BA in Commercial Art/Illustration.

My husband, Gil, and I married two weeks before he started Medical School at the University of Irvine in 1971. In 1979, with 3 kids in tow, we settled in Lompoc, where my husband established a solo medical practice in Internal Medicine.

I spent many years trying to keep my hand in creative endeavors and after our 4th child reached school age in the late 1980s I was able to become more active in the Lompoc arts scene.

I started off joining the Lompoc Valley Art Association, and was president of that organization in 1992-1993. During those years the association opened the Cypress Gallery, which is still utilized to showcase local art. I’m currently serving as President again after a 25 year hiatus. I am an Honorary Life member of the association.

I also joined the Lompoc Mural Society in 1992, four years after it was founded. I later served as Chair of the Mural Society for 10 years and currently as Project Administrator.

I serve as the Treasurer of the Lompoc Valley Arts Council. I am also a founding member of Gallery Los Olivos which promotes art in the Santa Ynez Valley and serve as their Secretary.

I was recently chosen as the 2017 recipient of the Santa Barbara County Arts Commission’s “Leadership in the Arts” award.

As a painter I am known for my vivid impressionistic images. I work mainly in acrylic and oils, often with a palette knife as my major tool.

One of my most visible murals is the 12 x 48 foot “Mission Vieja” which depicts and commemorates Lompoc’s lost mission. I have painted several other local murals and participated in all of the Mural In a Day events.

I love to promote the arts of Lompoc as often as I can!

### *Sherrie Chavez*

---

I grew up in Santa Barbara and relocated to Lompoc in 1986 where I raised my family. For the past 15 years, I have been a professional photographer in the Lompoc Valley, specializing in wedding photography portraits, photographing many special events in the field as well as in my home studio. Landscape photography is one of my passions and I am fortunate enough to have over 60 pieces of my work grace the walls of Marian Medical Center.

I also photograph for local publications such as the Santa Barbara Independent and Edible Santa Barbara Magazine to name a few. My interest has more recently shifted a bit towards the local wine industry. I have been photographing Wine makers, products, vineyards and harvests as well as the tasting room environments for various advertisements on behalf of the wine industry.

I am a founding member of the Lompoc Photographers Guild and have been a member for nine years. Three of the nine years I served as president and held the position of Treasurer for the whole tenure of my association.

I have served on the Lompoc Museum Board as well as the Lompoc Valley Arts Council. I currently serve on the Board of Directors at the Lompoc Valley Historical Society. My interests and activities embrace the history, arts, and diverse culture of the wine industry that exist in this beautiful valley.

### *Ann Thompson*

---

I was born the second oldest of ten to a hardworking Iowa farming couple. As far back as I can possibly remember I have loved to draw and paint. Marrying young and raising four children, gave me little or no time to pursue my art career, until the kids were grown and on their own. I've taken a few college classes over the years, but the strongest influence I've had that inspired me to begin painting seriously was when I took a class from Bob BurrIDGE, a professional painter and teacher on California's Central Coast. Acrylic is my first choice of mediums, but I have worked with watercolors and oils, as well.

In 1993, I had the opportunity to participate in the second Mural-in-a-day event. It was because of that amazing experience that I decided to become a member of the Mural Society. I have participated in 16 of the 18 Murals-in-a-day, plus the 2016 and 2018 Mural-in-a-weekend events. I served as "chair" for the Mural-in-a-day project from 2002 – 2011, and president of the Mural Society from 2008 – 2014 when I stepped down to become the first curator. Since filling this position, I have partially restored several murals, but have done complete restoration on the Chumash, Blacksmith, and Monarch Butterfly murals. In 2006, I was awarded the 8'x 20' Community Canvas depicting the Surf Train Station, and in 2012, I was commissioned to do the 8'x 20' Honda Tragedy Mural.

I worked full-time for almost 25 years, as a teacher's assistant for Santa Barbara County Schools. I often had opportunities to teach art classes to the student, but after hours and weekends were dedicated to taking on and completing art projects of my own, that allowed me time to improve my skills as an artist. My largest undertaking has received much media attention and has been a great joy and distraction for many children as they make the dreaded trip to the dentist. I am very proud of the Children's Dentistry office, located in Santa Maria. The underwater theme consists of seven murals that were as much fun to create, as it was work.

I am a member of the Lompoc Valley Art Association. In 2016-2018, I served as vice president under Vicki Andersen. I am also a member of the "Lompoc 10", a group of professional artists who meet once a month to critique each other's work in an effort to better ourselves artistically.

I feel very fortunate to live in Lompoc. It's a small town with a BIG heart, full of pride, for the talent that exists here.

---

*Pat Saul*

---

My name is Patricia Saul. This time in Lompoc is the longest I have spent in any one place. My father was in the Air Force and my mother was a naturalized citizen from Japan. I am the eldest of three; my brothers also live in Lompoc.

As long as I can remember I have been engaged in two-dimensional art. Although I loved it and often got in trouble for doodling during class, I didn't really get involved in art classes until I enrolled at Allan Hancock and got to know both Nat Fast and George Muro. The two of them opened my eyes to art history and techniques that resulted in my change of major.

After earning my Associate's degree I transferred to Cal Poly at SLO where I graduated with a Bachelor of Science degree in Graphic Design.

I kept up with drawing and painting while working at a local printing shop. During this time I entered mixed media pieces in local competitors. It was also when I met Vicki Andersen who convinced me to join the Lompoc Valley Art Association. In time I served as President for two terms. My brother Robert and I were selected to paint the mural of Lompoc's first fire chief.

When Michael Polino left the advisory board, Ken Shields thought that I might be a good replacement for him. In time I served as the Chair for this committee.

Date

Greetings,

Thank you for continuing to use and support your library! At the heart of every great community is a strong, dedicated public library and every day, we aim to be that library for our community. The Village Library is much valued by the residents, with 29,000 visitors a year and almost 45,000 items checked out.

The Village Library is part of the Lompoc Public Library System, giving library users access to the entire library catalog, which includes access to the materials at any of the 30+ libraries in the Black Gold Cooperative Library System. You also have access to professionally trained staff, a wide variety of library materials in different formats, and entertaining programs for patrons of all ages; all of which would not be possible if library services were outsourced to another entity without the proper structure in place.

The Village Library is funded by the County of Santa Barbara and those monies provide: 24 open hours a week, computers, wifi, some library materials for all ages, and professionally trained staff.

Money for library programs and additional library materials is provided by the Friends of the Lompoc Public Library System and the Lompoc District Libraries Foundation. Library staff also regularly apply for grants that are split evenly between the Village Library, the Lompoc Library, and the Charlotte's Web Mobile Children's Library.

Unfortunately, past fundraising efforts have dwindled and are no longer able to support additional open hours like they once did. As fundraising for open hours is not sustainable, we wanted to try something new. What would you like to see in the library? New books? DVDs? More programs? Financial gifts received from supporters like you ensure that the library is able to continue providing the best possible service to the community.

Please indicate how you would like your donation to be used:

New books for the collection

New DVDs

New Books on CD

Youth Summer Reading Program support

Wherever most needed

We are grateful for all past contributions in support of this library and appreciate any donation you can make at this time. When you support the Village Library, you are also supporting your community and neighbors. Thank you very much!

Sincerely,

Sarah Bleyl
