City Building Permits

Water Leak Detection and Repair projects may require city building permits. Prior to beginning work, contact City of Lompoc Building Division at 805-875-8220. **Exception: The repair of residential irrigation line leaks does not require a permit.**

Program Eligibility & Guidelines

- Applicant must be a City of Lompoc water utility customer with service where the leak occurred.
- One rebate per City of Lompoc account per year.
- New construction does not qualify.
- The rebate does not apply to repairs made by the customer.
- Rebate applies to costs associated with repairing a leak by a licensed plumber, contractor, or leak detection service and/or City of Lompoc Plumbing Permit Fee.
- The plumber, contractor, or leak detection service must have a City of Lompoc business license and State of California Contractor's plumbing license.
- Rebate will cover labor and material costs up to \$700 associated with the repair of water main supply line, interior water service lines, and irrigation lines. Labor costs will be considered first, then materials. Leak detection and repairs covered by homeowner's insurance policies or home warranties may include the cost of the deductible.
- The replacement of a toilet to repair a leak does not qualify. Please see separate rebate application for toilet replacement at www.cityoflompoc.com/Utilities/conservation or call 805-875-8018.
- The rebate does not apply to the repair of storm drains, sewer, or vent pipes.
- Verification of leak is required by City staff. Staff may use water account data to determine eligibility and to verify repair.
- Rebate does not cover the costs of repair of damage to materials due to a water leak (i.e. flooring, drywall, cabinets, and household items).

REBATE REQUIREMENTS AND AMOUNTS			
Type	Existing Condition	Final Condition	Rebate
Water Leak Detection and Repair (Maximum Rebate \$700)	Water Leak	Water leak detection/repair service and/or City of Lompoc Plumbing Permit Fee.	Up to \$700

Rebate(s) will not exceed 100% of total costs.

Rebate	Date Leak Was Discovered	Date Leak Was Repaired	Rebate Amount
<input type="checkbox"/> Water Leak Detection and Repair (Maximum Rebate \$700)			\$
Provide the location of leak/s and a description of how the leak was repaired. If multiple leaks were repaired, a description of how each leak was repaired must be provided. Attach additional page if more space is needed.			

Required Documents

- Completed and signed Water Leak Detection and Repair Rebate Application.**
- Color photos of the leak before and after the repair. Photo must be of good quality.**
- Copy of invoice for leak detection and/or repair of leak. (Originals will not be returned.) Invoices must include:**
 - Utility account holder name and repair address
 - Date of repair, date invoice was paid in full and form of payment
 - Company name and city and state license numbers
 - Total costs associated with detection and/or repair of leak. The invoice must provide the labor cost separate from the materials costs.
 - Location of leak and description of how the leak was repaired
 - If multiple leaks are detected and repaired, the location of each leak and description of how the leaks were repaired must be provided. The cost to detect and repair each leak must be itemized.

Upon signing this agreement, customer acknowledges the following:

City of Lompoc (City) reserves the right to inspect completed work and repairs. Rebate(s) will be paid only on work that meets City specifications. Customer certifies that they are familiar with, and agree to, the standards regarding this program. City disclaims any warranty, whether expressed or implied, for any materials or labor associated with installation, maintenance, or repair associated with participation in this program. City will not accept any liability, expenses incurred or any property damage loss that may arise as a result of participation in this program. This rebate offer may be changed or discontinued at any time by City. **Rebate will be issued as a credit to the customer's City of Lompoc water utility account. If the customer's City of Lompoc water utility account has an outstanding balance, the rebate will be applied to the account balance.**

I understand the above and certify that I am a customer of City, that the repair(s) are completed at the location indicated and that this address is within City service territory. I understand that the City is not responsible for the repair of my leak and any water loss or costs associated with my leak. I am responsible for repairing plumbing leaks at my property in a timely manner. If I am a tenant, I understand that I must obtain the property owner's authorization to make repairs.
