Stacey;

Please read the following into the meeting during the Public Comment period. Many thanks, Kay

Mayor Osborne & Council Members;

“As you are aware our YMCA, a non-profit, has been a tremendous value to our community and serving thousands in its mission. We have enjoyed a good partnership with the City of Lompoc for over 50 years. Perhaps you may not be aware that we are currently leasing the building from the City for \$500.00 per month. Since a precedent has already been established, we are asking that Council reduce this amount to \$1.00 per year, consistent with other non-profits, i.e. the Museum and the Cypress Gallery.

I hope we can count on your support.”

Respectfully,

Kay Casey
