Subject: Comment: YMCA Lease

Mayor and Council Members:

Tonight you will be voting on a new lease for the YMCA. I strongly urge you to approve this lease. The YMCA stepped up during the pandemic to care for the children of emergency personnel providing meals and all day care, even though they were closed and still had to pay rent to the City.

The Y is a great community member and I feel they should be awarded the \$1 per year rent approval, especially for a city owned building.

Please consider voting yes on this proposal.

Thank you,
Patricia Brady
