

RESOLUTION NO. 6426(21)

**A Resolution of the City Council of the City of Lompoc,
County of Santa Barbara, State of California,
Adopting a Municipal Budget for Fiscal Years 2021-2023**

WHEREAS, the City Manager of the City of Lompoc (City) has submitted the proposed municipal budget for Maintenance and Operations, including capital improvements, for Fiscal Years (FY) 2021-2023, commencing on July 1, 2021; and

WHEREAS, the City Council conducted budget workshops and meetings on February 16, 2021, May 20, 2021, June 4, 2021, and June 15, 2021, to review and discuss the City's proposed Biennial Budget Fiscal Years (FYs) 2021-2023 and Capital Improvement Program FYs 2022-27 (collectively, Budget); and

WHEREAS, the City Council has now completed its review of the Budget; and

NOW, THEREFORE, THE CITY COUNCIL OF THE CITY OF LOMPOC, STATE OF CALIFORNIA, DOES HEREBY RESOLVE AS FOLLOWS:

SECTION 1. That certain document now on file in the office of the City Clerk of the City of Lompoc titled "City of Lompoc Biennial Budget Fiscal Years 2021-2022," and "Capital Improvement Program Fiscal Years 2022-27" outlining the Maintenance, Operations and Capital Outlay budget for Fiscal Years 2021-2023, are hereby adopted.

SECTION 2. All encumbrances as of June 30, 2021, as represented by outstanding purchase orders, contracts, or project encumbrances, approved by the City Manager, are authorized to be carried forward into the Budget.

SECTION 3. The Cost Allocation Plan for Fiscal Years 2021-2023 is hereby adopted as a component of the Budget.

SECTION 4. The City, in its rate structure for water, wastewater, and solid waste utilities, complies with the substantive requirements of Proposition 218, relating to property-related fees and charges.

SECTION 5. The City Manager is authorized to take all necessary actions to implement the provisions of the Budget as adopted by this Resolution.

SECTION 6. The City Manager, or designee, is authorized to approve appropriation transfers between departments within a fund, provided the total of such transfers within a particular fund shall not exceed \$100,000, without City Council approval. After any such City Council approval, up to \$100,000 in subsequent transfers between departments within a fund may be approved by the City Manager without further City Council approval. Each Department Director is authorized to transfer appropriations between programs within their areas of accountability, as long as funding is available in the department as a whole. The City Council is aware the City Manager delegated authority to approve the transfer of funds from one object or purpose to

another within the same department, program, office, or agency to the Management Services Director, or designee, for individual line item requests of less than \$30,000.

SECTION 7. Transfers to the General Fund from the Electric Fund will continue to be based on the Utility Rate of Return formula. Transfers to the General Fund from the Water, Wastewater, and Solid Waste Funds will continue to be based on a cost of service methodology. Such transfers have been considered in light of, and are consistent with, the requirements of the laws adopted by Propositions 26 and 218, as well as State of California Legislation adopted to implement those laws and cases interpreting those laws.

SECTION 8. Resources in funds, other than the General Fund, are intended to be used by the City for the specific purpose of that fund. Any fund balance that does not meet the criteria to be classified as restricted, as defined in Governmental Accounting Standards Board Statement No. 54, will be assigned by the City Manager or designee.

SECTION 9 The July 17, 2012, minute action of the City Council of the City of Lompoc of July temporarily implementing a 3 percent reduction in the D-1, D-2, A-1, A-12 and A-13 schedules, as compared to the rates in effect as of July 1, 2011, until July 1, 2015, and the subsequent City Council actions extending the reduction by the passage of Resolution Nos. 5990(15), 6135(17), and 6265(19) are hereby rescinded effective July 1, 2021, increasing electric rates by 3 percent effective July 1, 2021, and an electric rate study and electric cost of service study are to be initiated during the FYs 2021-23 budget cycle.

SECTION 9. This Resolution is effective on the day of its adoption. The Budget is effective on July 1, 2021.

The foregoing Resolution was proposed by Council Member _____, seconded by Council Member _____, and was duly passed and adopted by the Council of the City of Lompoc at its special meeting on June 15, 2021, by the following vote:

AYES: Council Member(s):
NOES: Council Member(s):
