Re: Consolidation Proposal to Lompoc Artificial Kidney Center

Dear Mr. Berry:

My firm represents Lompoc Artificial Kidney Center, LLC ("Center") with respect to the City of Lompoc's April 20, 2021 hearing on the Center's appeal of the June 27, 2019 ruling regarding Wastewater Discharge Permit I-0013 (the "Appeal"). I write in response to your letter dated March 30, 2021, proposing to consolidate the Appeal with the appeal of the City's denial of the Center's request for reconsideration dated March 16, 2021, regarding the City's March 2, 2021 Notice of Violation and Notice of Compliance ("Second Appeal"). With the understanding that the Second Appeal has been deemed submitted, without the need for an additional filing or submission, the Center consents to the City's Consolidation Proposal. We look forward to presenting the Center's Appeal and Second Appeal to the City on April 20.

Very truly yours,
