**Subject:** [EXTERNAL] RE: Lompoc Kidney Center

**Importance:** High

Good afternoon, Samir, et al,

The City has agreed to postpone the hearing on LAKC's appeals of the subject Rulings on Reconsideration until May 18, 2021, based on the understanding LAKC will comply with the following:

- Provide a definitive timeline for installation of the upgraded water softener, including performance specifications.
  - Copy of contract must be provided.
  - Timeline due to City no later than May 11, 2021.
- Provide a definitive timeline for installation of a representative sample point that provides 24-hour access for city personnel.
  - Must include a flow meter.
  - Timeline due to City no later than May 11, 2021.
- Within 10-days of installation of sample point, a sample will be drawn in the presence of the City.
  - Lab report from an independent laboratory, will be provided to the City within 72-hours of receiving sample results.
- Provide monthly sampling and monitoring reports to City, beginning not more than 30-days after the installation of the representative sample point.

If those conditions are timely met and LAKC agrees, then the May 18<sup>th</sup> date will be continued again until June 15<sup>th</sup>. Compliance with the above conditions will not be not considered responses to the requirements of LAKC's outstanding NOV and compliance schedule.

Sincerely,

C.J. Berry
