California Air Resources Board
c/o Low Carbon Fuel Standard Program
P.O. Box 2815
Sacramento, CA 95812

To Whom It May Concern:

The City of Lompoc is applying to be an opt-in fuel reporting entity that supplies electricity used as a transportation fuel. The City of Lompoc's Electric Utility is a publicly owned electric utility located in California and therefore qualifies as an electrical distribution utility, as well as a load serving entity.

As instructed, attached is the executed LCFS Report Tool and Credit Bank and Transfer System Account Registration Form.

Please feel free to contact me at (805) 875-8299 or c_berry@ci.lompoc.ca.us or Steven Valle at s_valle@ci.lompoc.ca.us if you have any questions.

Sincerely,

Charles Berry
Primary Account Administrator, LCFS Program
City of Lompoc
