Certificates of Appreciation were presented to volunteers that assisted with the Summer Reading Programs at the Lompoc and Village Libraries. Those honored were: Karen Cobb, Mollie Cobb, Olga Aguiniga, Jazmin Morales, Coraima Morales, Kavindika Wimalasoma, Binuki Wimalasoma, Haley Calderon, Jayza Calderon, Madeline (Mattie) Means, Yvonne Labato, Amy (Hana) Rojas, Anjele Hurtado, Faith Hurtado, Jana Georgieva, Jan Griffin, Teresa Galvin, Sally Prentiss, and Steve Straight.

5. Public Comment

None

6. Library Support Activities

A. Friends of the Library

Friends President Roberta Mitchell reported that they made \$2,362 at their July book sale.

B. Library Foundation

No representative was present. The Library Director shared that the Library Foundation's final Concert on the Library lawn will take place on August 19.

7. Correspondence

A letter from the Certified Public Library Administrator Program Director documenting Adult Services Manger Ashlee Chavez' enrollment and progress was shared with the Board. Ms. Chavez plans to complete the program to enhance her managerial competencies by the end of 2012, even though the program allows enrollees up to five years to complete the coursework.

8. Business

A. Charlotte's Web Children's Library Learning Center

Trustees reviewed the progress report provided by the Library Director. She advised that the architect, Ravatt, Albrecht, & Associates, has yet to complete the City's requirements for the construction drawings and specifications; the status remains pending.

The Library Director provided more information about the possible option of purchasing a green children's bookmobile and presented three successful bookmobile concepts that are in place in other communities, along with an estimated budget. She shared that the Benton trustees view this option favorably and, if it moves forward, may explore using the property at 211 South I St. as one of the bookmobile destinations. Trustee Knowles inquired about revenue from fine/fees collected by the bookmobile and was advised that the estimated budget was very preliminary at this time. Trustee Knowles suggested local parks as bookmobile destinations. Trustee Aguiniga noted that the bookmobile option fulfills the intent of donor Charlotte Benton's donation.

Further discussion centered on scheduling a special meeting on Thursday, September 13, 2012 at 6:00 PM. The purpose of the meeting will be to provide an opportunity to inform the public regarding the project status and options and receive public input. Councilmember Bob Lingl, who is this quarter's City Council liaison to the Trustees, is available. Staff will meet with the Library Foundation, Benton Trustees, and City staff to obtain information to include in the special meeting presentation. Trustee Dale advised that she is unavailable to attend the special meeting and suggested that a flyer be developed and circulated through the schools with the project background and the reason for the public meeting. Those attending the meeting could be encouraged to provide contact information to be alerted to a future city council meeting concerning the project.

Staff reviewed funding available to the project, noting that \$250,000 in CDBG funds is still reserved for the project, whereas CDBG funds allocated in July 2011 to recarpet the Lompoc Library have been shifted to the reroofing project. Trustee Dale showed concern with the estimated cost of \$652,000 to reroof the Library. Staff provided detailed information regarding the project steps, including the design and construction phases of the project. The Library Director will provide information from the City Engineering staff regarding the reroofing project budget at a future meeting.

B. Review FY 2011-2012 budget

The Library Director reviewed the budget spreadsheets provided by City Finance. She advised that this type of financial reporting is generally not provided to other City departments. Library Trustees expressed their thanks and appreciation to City Finance for their provision of the budget spreadsheets.

There was some discussion regarding boundaries used to determine populations served by each Zone 2 library. The Library Director advised that Campbell Road has been used in the past to separate the unincorporated area population attributed to Buellton and Lompoc libraries. She offered to work with Trustee Dale to review the 2010 census data and come closer to an exact population figure. Trustee Dale indicated that it would be good information to have to share with Buellton City Council. Staff will also send a PDF version of the Buellton Library budget to Trustee Dale to share with her Council colleagues.

C. Report on the 2012-13 budget

In FY 2012-13, the major change in the projected budget will be an increase in the Black Gold contribution due to defunding from the State. The County allocations for Lompoc and Buellton will be slightly lower than budgeted due to a decrease in the unincorporated population of these

areas. The Library Director advised that she will be working with Adult Services Manager, Ashlee Chavez, on goals and needs for the FY 2013-15 budget.

Trustee Dale said she attended a Black Gold Cooperative Library System strategic planning meeting for the tri-counties and now understands that Black Gold is invaluable.

Trustee Aguninga inquired about the use of Lompoc Library reserves for capital projects or needs such as the Literacy Program as an alternative mentioned by City Council during discussion of Library project funding. Staff advised that the Lompoc Library is not officially a City department, and that the Education Code provides for an administrative board to oversee library finances. The Board has the responsibility to maintain a reserve to secure a reasonable number of operating hours and adequate staffing for the library. Without the use of library reserves in the current budget cycle the Lompoc Library would be open fewer days per week. If the reserve is depleted, the library hours and staffing cannot be supplemented.

Literacy Coordinator, Christina Chill, provided a status report to the Board regarding Literacy Program funding. She advised that an allocation is expected soon due to the restoration of a portion of the State of California funding for public library literacy programs. An update will be provided to the Board when the level of this funding is known.

D. Schedule of meetings at Buellton and Village libraries

MOTION: It was moved, seconded (Knowles/Dale), and unanimously carried to hold the September 11, 2012 regular meeting at 6:00 PM at the Village Library and the December 11, 2012 regular meeting at 10:00 AM at the City of Buellton Council Chambers. Trustees agreed that the customary annual dinner for staff and trustees would follow the September meeting.

E. Revisions to Library Rules of Conduct to incorporate Rules of Conduct on Library grounds.

The Library Director shared concerns regarding a problem with people sleeping for extending periods on the Library lawn alone or in groups. Staff has found associated litter in hedges on the perimeter of the property. Problems with skateboard and scooter riders on entrance sidewalks and in the parking lot, and bicycles being left in the planters were also reported.

MOTION: It was moved, seconded (Dale/Knowles), and unanimously carried to approve the revised Rules of Conduct with an amendment to #14 to remove *unless there is no space available*.

Library Rules of Conduct

Welcome to the Lompoc Public Library System. Library users expect each of our facilities to be clean, comfortable, and safe places. The library is responsible for establishing rules of conduct to protect the rights and safety of library patrons, volunteers, and staff. The rules are also designed to maintain the library's peaceful atmosphere, facilitate library usage, and protect library property.

Behavior becomes unacceptable when it interferes with the rights of others, when it could result in injury to one's self or others, when it could result in damage to library materials, buildings, or equipment, and when it does not align with the library's mission.

The following actions are examples of conduct NOT allowed on library property:

- 1. Engaging in any activity in violation of federal, state, or local or other applicable law, or library policy, including but not limited to:
 - a) Carrying firearms and dangerous weapons of any type (except by law enforcement officers)

- b) Being under the influence of alcohol/illegal drugs, or selling, using, or possessing alcohol/illegal drugs inside the library or outside on library grounds
- c) Stealing, damaging, altering, or inappropriate use of library property in library facilities or on library grounds, including computer hardware and software, printers, copiers, and other equipment, and books or other library material
- 2. Engaging in disruptive behavior that disturbs others or interferes with library operations and services including but not limited to:
 - a) Creating disruptive noises such as loud talking, screaming, or banging on computer keyboards
 - b) Using cell phones, pagers, and other communication devices in a manner that disturbs others
 - Using audible devices without headphones or with headphones set at a volume that disturbs others
 - d) Using the library with offensive body odor and/or lack of personal hygiene
 - e) Fighting or challenging to fight, running, pushing, or shoving
- 3. Verbally or physically threatening or harassing other library patrons, volunteers, or staff, including but not limited to:
 - a) Stalking, staring, lurking, invading personal space
 - b) Offensive touching and obscene acts such as sex acts and indecent exposure
 - c) Use of obscene or abusive, sexually-oriented or racially-charged language
- 4. Failing to observe Internet and computer use guidelines
- 5. Leaving unattended persons in the library who see or need personal assistance for other than library services and where staff has a reasonable basis to be concerned for the safety of the unattended person. Examples may include:
 - a) Persons less than 9 years of age (see Unattended Child Policy)
 - b) Persons needing supervision because of physical or mental conditions
- 6. Soliciting money or donations
- 7. Using restrooms for bathing, shaving, or doing laundry
- 8. Smoking within enclosed patios or within 20 feet of library entrances/exits or operable windows
- 9. Using the library barefoot or without a shirt
- 10. Eating or drinking (except from containers with protective lids), except for approved library events
- 11. Bringing in personal belongings that measure more than 14"x17"x20"
- 12. Leaving packages, backpacks, luggage, or any personal items unattended; the library is not responsible for personal property
- 13. Using wheeled devices in the library (except for motorized ADA assistive devices, wheelchairs, walkers, and strollers); skating, skateboarding, bicycling, or riding scooters on library property; skates, skateboards and collapsible scooters must be carried and may not be ridden on Library grounds
- 14. Leaving bicycles in any place other than a bicycle rack unless there is no space available
- 15. Lying down or sleeping in the library or sleeping on library grounds; having feet on furniture; or blocking aisles, exits, or entrances
- 16. Vandalizing or littering library grounds
- 17. Media or commercial photographing without prior permission from library staff
- 18. Bringing animals, other than service animals, inside the library or within 20 feet of any door (except for authorized library activities)

Any individual or group wishing to use library grounds to gather signatures or for similar purposes may request permission from library staff. Such activities must be outside the facility and at least 20 feet from the entrance to the building.

Enforcement of these rules will be conducted in a fair and reasonable manner. Library staff and/or City of Lompoc Police Officers will intervene to stop prohibited activities and behaviors. Failure to comply with the library's established rules, regulations, and policies could result in removal from the premises and exclusion from the library for a period of one day to one year, or in arrest or prosecution. Individual patrons have the right to request an administrative review of exclusion orders.

Approved by the Library Board of Trustees 4/14/98 Revised 10/11/11; 8/10/12; 8/14/12

9. Library Director's July report and update

The Library Director informed Trustees that the Friends of the Buellton Library worked with her to submit a grant application to the Chumash Foundation, requesting \$9,300 for a new circulation desk at the Buellton Library. The Friends also plan to apply for Santa Ynez Valley Foundation funds in the near future. The recruitment bulletin for the Library Assistant-Circulation Supervisor position has been posted and staff is working with HR on the recruitment brochure for the Librarian II-Adult Service Manager position. The Library Director also advised that work continues on the restructuring of the part-time Library Page staff schedule.

The Community Read event publicity is coming together. The event is scheduled on Mondays at 7:00 PM, September 24-October 15, 2012.

10. Roundtable

Trustee Aguiniga complimented part-time Library Clerk III, Letha Pena, for enthusiastic assistance provided to her family in the Youth Services Department.

11. Adjournment

The meeting was adjourned at 11:40 AM. The next Regular meeting will be held at 6:00 PM on Tuesday, September 11, 2012 at the Village Library, 3755 Constellation Rd., Lompoc, CA

Lompoc Public Library 501 E. North Avenue Lompoc, CA 93436

Catherine Braxton formerly Lompoc, CA 93436

Hello. My name is Catherine Braxton. I used to live in Lompoc and was a library member. When we moved the enclosed 2 books weren't returned and ended up with us in Nebraska. I also had a small fine that when I tried to pay the credit card machine wasn't working.

Enclosed please find a check for \$40. Please use the money to pay off my fines. Any leftovers, please use to purchase more children's books.

I want to thank you so much for our beautiful library and your wonderful staff. My family loved the library. It was a real treat for them anytime we visited. Being on a budget, I can't buy books like I used to as a single person. My four children (10, 7, 3, and 1) read constantly on a variety of topics. Your books were up to date with the latest trends so my kids really got into reading. The library is critical to a community. Hopefully the city realizes this. It is a real gem for Lompoc.

Have a great day!

Cathy Brugton Cathy Braxton

PS—My apologizes that we are so delinquent in returning. Moving cross country has been a lot more difficult than anticipated.

Staff Report

Item 8C. Consideration of approval of the Agreement for Operation of a Countywide Library System

Staff recommendation: that the Board of Trustees:

- 1) approve the Agreement for Operation of a Countywide Library System, and
- 2) provide direction to the Library Director to forward the contract to Lompoc City Council with a recommendation for approval.

Background:

The County of Santa Barbara contracts with city libraries in Santa Barbara, Lompoc, and Santa Maria to provide library services to County residents. The Agreement for fiscal year 2012-2013 was approved by the County Board of Supervisors on August 14, 2012.

In the course of Fiscal Year 2012-13, County staff anticipates working in conjunction with Library Directors, the Library Advisory Committee, and other interested stakeholders to initiate the following strategic actions:

- Review of the Library Service delivery structure to determine if the zone model continues to be the most effective service model.
- Analysis of the per capita funding distribution to ensure funding is consistent with usage and circulation.

Library Directors who administer the County funds look forward to working with the County in this effort. The per capita support allocated by the County was increased from the 2011-2012 level of \$5.87 to \$5.98 for library services in FY 2012-2013.

Discussion

Lompoc City Attorney, Joseph W. Pannone, has advised he has concerns regarding several items within the Agreement. Those concerns are ultimately business decisions for the Council, as they were when he raised the same concerns the last two years this contract was before the Council. The Council accepted the agreements as provided by the County.

Mr. Pannone's concerns include:

1. Per section 4, the County or City could terminate the Agreement on six-month's notice, but nothing explains what happens if the City has made expenditures in anticipation of being paid by the County and the Agreement terminates before the County payment is made.

Response from County staff: The County and cities have operated under this Agreement in good faith for many years.

2. Per Section 6e, there is no specific date by which installments must be paid, other than they are made after the Agreement is signed, and not before January 1. Response from County staff: Delays have been experienced due to the number of boards and councils to which the Agreement is submitted for approval. As in Item #2, the Agreement has worked well in good faith.

3. Per the last paragraphs of Sections 7 and 8 and Sections 9 through 11, the City must provide certain maintenance and repair, and must operate the County branches within the City's zone, no matter what that cost may be.

Response from library staff: the 2012 -2013 contract states in Section 9: For maintenance or repairs to a County-owned branch that exceed the funds available to a responsible city, the responsible Cities shall send written notice to the Community Services Director. The added sentence makes it clear that if a repair is needed that goes beyond the resources available in the budget or reserve of that branch, the zone head librarian will contact the county. However, the action that the County would take upon learning of a shortfall is not addressed.

The County staff, as on prior occasions, has agreed to address those and any other concerns over the coming months as the next agreement is prepared. Library Directors will meet with Herman Parker, County Community Services Department Head, on September 12, 2012.

Impact:

Approval of the 2012-2013 Agreement for Operation of a Countywide Library System will trigger the first payment of the County allocation to the City of Lompoc for the Lompoc Library System.

Staff Report 8D. Consideration of revisions to the schedule of open hours for the Lompoc Library

Staff recommendation: that the Board of Trustees approve the revisions to the schedule of open hours for the Lompoc Library, effective October 1, 2012.

Background:

Due to budget reductions in the 2009-2011 budget cycle, the schedule of open hours at the Lompoc Library was reduced from 50 per week to 44. Morning open hours were eliminated at that time. Open hours were reduced to 36 to achieve a balanced budget in the 2011-2013 budget cycle.

The current Lompoc Library open schedule is:

DAYS OF THE WEEK	OPEN TIME	CLOSE TIME
Monday-Thursday	12:00 noon	7:00pm
Friday-Saturday	1:00pm	5:00pm

Discussion:

After low attendance for two years at preschool storytime scheduled during early afternoons, the Youth Services Manager received permission from the Library Director in February 2012 to try opening the library on Tuesdays at 10:30am for the purpose of preschool storytime only.

Within a few weeks, awareness of the morning storytime spread by word of mouth, along with local publicity, and the program has continued to gain attendees since that time. Parents can be seen talking together in groups outside the library following storytime. The library staff believes that morning hours are a vital learning resource for families with young children, and supports adding morning hours on Mondays and Tuesdays.

Library staff has also heard from older patrons that morning open hours are needed. In order to serve these residents within the limited number of open hours budgeted, staff supports providing open hours two mornings per week.

In addition to requests for morning hours, commuters and students who are active in after school activities have requested later open hours during the week. Staff supports providing extended evening hours two evenings per week to serve more patrons.

The schedule developed by staff maintains the 36 open hours budgeted for the 2011-2013 cycle. It is designed to provide morning hours early in the week and evening hours toward the end of each week when students are more likely to be completing assignments. The schedule is also designed to be easy to remember, as follows:

DAYS OF THE WEEK	OPEN TIME	CLOSE TIME
Monday-Tuesday	10:00am	5:00pm
Wednesday-Thursday	1:00pm	8:00pm
Friday-Saturday	1:00pm	5:00pm*

^{*} There is no change to the current open hours on Friday – Saturday.

Impact:

There is no fiscal impact, but the changes would require adjustments to staff schedules. Adequate time to inform the public of the changes and effective date would be required to minimize inconvenience to patrons.

To ensure that the public is notified, a banner with updated hours would be displayed on the lawn with the effective date, bookmarks and signage would be prepared for library users, and announcements would be provided to local newspapers.

Lompoc Public Library System August 2012 Staff Report

The Library met with the City Administration and Assistant Administrator on August 2 to consider the status of the Charlotte's Web Children's Library project and the appropriate next steps. The direction from City staff was to hold a special meeting of the Board of Trustees to inform the community and invite input. Trustees affirmed this course at their regular meeting on August 14, scheduling the special meeting for September 13 at 6pm.

The Library Director and Adult Services Manager met with former Lompoc mayor, Joyce Howerton on August 3 to share information about the donated building and book mobile alternatives for the children's library project. At the Library Foundation meeting on August 9, the Library Director shared information about the Charlotte's Web project, and the Foundation then met with the Director and Trustee Ruhge on August 23 to review project related information further. The Foundation also updated Library staff on the level of funding available for the project and agreed to participate in the special meeting scheduled September 13. The Library Director met with the Benton Trustees on August 23 to review funding and prepare for the upcoming meeting.

The promotional materials for the Community Read events scheduled from September 24 – October 15 were finalized. The Library Director met several times with marketing consultant, Jim Palam, during August. Posters have been placed in coffee shops and other locations, along with free copies of the featured book, *Farewell to Manzanar*. Other California Libraries participating in the CA Reads grant funded programming donated 155 copies of the book for use by Lompoc patrons and 50 copies were purchased with grant funds. A banner is in place on the library lawn. A donation enabled staff to order event themed T-shirts for employees as part of the promotion. A special website, www.LompocReads.com, is in place, and the programming is featured on the library and city websites. The Friends of the Library Facebook pages are promoting the events as well. The Library Director staffed a table at the final Old Town Market event on August 31 to inform residents about the community read.

The County Board of Supervisors approved the 2012-13 Agreement for Operation of a Countywide Library System at their August 14, 2012 meeting. Staff from the Santa Barbara, Santa Maria, and Lompoc libraries attended the meeting and thanked Supervisors for stable funding in the current FY. Library Directors will attend a meeting with Community Services Department Head, Herman Parker, on September 12th to provide him with information regarding how County funding is allocated in each zone and to hear his concerns and ideas regarding provision of library services. Ashlee Chavez will join the Library Director in representing Lompoc at this meeting.

The Countywide Day of Caring scheduled September 15, includes public libraries as work sites. Volunteers will weed the perimeter planting beds and clear out overgrown plantings at the Lompoc Library. A flyer with event details is included in the Board packet.

A local young man has chosen to improve the library grounds to earn the rank of Eagle Scout. City Forester Cindy McCall will supervise the work on Saturday, October 6.

Adult Services Manager, Ashlee Chavez, reported that Second Friday Flicks was held on August 10; 8 attendees viewed and discussed the Dickens classic, *Oliver Twist*.

Ms. Chavez attended and acted as recorder for Black Gold Reference and Adult Services Committee meetings in Lompoc on August 8. She attended a Library Foundation meeting on August 9 and met with City Recreation Coordinator, Sue Slavens, to arrange and discuss holding eBook instructional courses at the Dick DeWees Senior and Community Center. The first class will be held on September 21. Ms. Chavez taught three eBook learning courses on August 30 at the Lompoc Library – attendance totaled 13 (Nook – 3, iPad – 3, Kindle – 7).

Throughout August, Ms. Chavez assumed the library acquisitions duties in addition to her own tasks in Adult Services. She also traveled several times to the Buellton Library to work on collection development and deselection of outdated and little used materials.

Youth Services Manager, Lezlee Hurtado, made several visits to the Village Library to guide branch staff in deselection and marketing of the children's collection.

Ms. Hurtado reported that the Summer Reading Program ended with 516 youth participants and 115 successful completions (25 or more books read); 69 teens signed up and 15 completed the reading goal. Ms. Hurtado assisted the Village Library Manager with the campfire program there on August 10.

Throughout August, Ms. Hurtado assumed the duties of circulation supervisor in addition to her own tasks in Youth Services.

Statistics: Celebrate Art – 8/11, 13 participants; 8/23, 11 participants. Family movie night on 8/31 - 16 attendees.

Computer technician, Adam Fabela, replaced 3 Lompoc Internet stations with newer donated units. He installed 2 newer donated units at the Village Library.

Status report and cost estimate Library Re-roofing project Provided by: Craig Dierling, Project Manager, City Engineering Department September 4, 2012

Library Re-roofing estimated costs (only at a concept level of accuracy since design hasn't started vet):

\$439,700 - Remove and replace existing roofing for entire library, including asbestos removal and abatement, tapered new system, working with equipment screens and utility piping, etc. \$30,000 - Improvements/addition of roof drains including piping to outlet to street or parking lot, and improvements to existing drain outlets so they all function and they don't flow over sidewalks.

\$70,455 - Contingency for construction contract.

\$55,000 - Design consulting + contingency (architect and team).

\$40,000 – City Engineering PM & contract administration from design through construction, including management of construction.

\$17,066 – Asbestos testing, special inspection, building permit, City environmental staff time, bid phase printing and advertising.

\$652,221 - Total estimated cost with contingencies

The project is still generally following the schedule anticipated in the CDBG Budget staff report from July 17th:

Currently selecting a design consulting team based on proposals received.

Anticipate complete design in February 2013.

Anticipate advertising for construction bids in March 2013.

Anticipate construction from late summer to early fall 2013.
