**SUBJECT:** Adoption of Ordinance No. 1687(22) Authorizing an Amendment to the California Public Employees' Retirement System (CalPERS) Contract to Implement Cost Sharing which will Repeal Ordinance No. 1676(20)

---

### **Recommendation:**

Staff recommends the City Council to introduce for first reading by title only, with further reading waived, Ordinance No. 1687(22) Authorizing an Amendment to the Contract between the City and the Board of Administration of CalPERS (attached) which repeals and replaces prior Ordinance No. 1676(20).

### **Background/Discussion:**

At the December 1, 2020, City Council meeting, the City Council adopted Resolution No. 6371(20) and Ordinance No. 1676(20) authorizing the first steps for the City to amend its contract with CalPERS to implement the cost-sharing arrangement agreed to by the City and various employee groups. Following the adoption of the required resolution and ordinance, CalPERS notified the City that there was a required waiting period of 20 days between the adoption of the resolution and the subsequent adoption of the ordinance and requested an updated ordinance. Therefore the only difference between the repealed ordinance and the new one are the adoption and effective dates.

### **Fiscal Impact:**

There is no fiscal impact for repealing Ordinance No. 1676(20) and adopting Ordinance No. 1687(22). This change will complete the process of Amending the Contract between the City and CalPERS that was approved in 2020.

### **Conclusion:**

Ordinance No. 1687(22) provides the time-gap required by CalPERS between the adoption of the resolution of intent and the adoption of the ordinance and will allow City
