

What You Need to Know About Business Recycling

Why should my business recycle?

- State law now requires all businesses that generate 4 or more cubic yards of waste per week to recycle.
- Recycling helps conserve resources and extends the life of California's landfills. It also helps create a healthy environment for our community and future generations.

How can we comply with the new State law?

- Subscribe to the recycling service with the City of Lompoc Solid Waste Division.
- Make other arrangements for the sale or donation of recyclables, including self-hauling materials to recycling facilities.

How can we get started?

- Make sure your business has arranged for recycling services.
- Help employees learn which items can be recycled.
- Separate recyclable items from trash inside your business.
- Place your recyclable items in external recycling containers for collection.

Where can we find more information?

Contact the City of Lompoc Solid Waste Division if you need additional information regarding Business Recycling.
