

CITY OF LOMPOC**SENIOR CODE ENFORCEMENT OFFICER****DEFINITION:**

Under direction, performs the more complex technical inspections, investigative, and compliance work related to municipal code violations; responds to requests and complaints; issues warnings and citations; maintains related reports and records; monitors the City-wide code enforcement plan; assists in the development and implementation of training programs and day-to-day duties relative to training staff; monitors status of complaints and investigations; and perform other related duties as required.

CLASS CHARACTERISTICS:

The class of Senior Code Enforcement Officer serves in a lead capacity. The incumbent is expected to perform the full range of assigned duties and assist other code compliance personnel, with only occasional instruction or assistance. In addition to code compliance investigation duties, the incumbent may train and assign program staff. The incumbent in this classification processes greater breadth of knowledge and experience, and reviews the more complex requests related to violations of City codes and ordinances; may be responsible for day-to-day training or program staff; and has functional charge of code enforcement activities when the supervisor is absent or unavailable.

LICENSE/CERTIFICATES REQUIRED:

Possession of a valid and appropriate California Driver's License. Peace Officers Standards Training (POST) approved Penal Code §832 certificate is highly desirable prior appointment and required as a condition of successful completion of probation. Possession of California Association of Senior Code Enforcement Officers (CACEO) Basic and/or Intermediate certificate required. California Association of Senior Code Enforcement Officers (CACEO) Advanced certificate is required as a condition of successful completion of probation. Possession of ICBO/AACE and/or SCACEO certificate is desirable.

ESSENTIAL FUNCTIONS:

The following duties are typical of this classification. Incumbents may not perform all of the duties and/or may be required to perform additional or different duties from those set forth below to address business needs and changing business practices. Leads and participates in the more complex technical inspections, investigative, and compliance duties related to code violations; receives and responds to citizen inquiries and other complaints related to violations of the City municipal code, including but not limited to building zoning, nuisance, environment, neighborhood enhancement, health and safety ordinance, and weed abatement; interprets and enforces provisions of municipal codes
