The City of Lompoc provided a total of \$54,500 in 2021-21 funding (\$30,500 in CDBG Funds and \$24,000 of 'in kind' contributions from general fund) to 3 local nonprofits (Catholic Charities, Good Samaritan Shelter and New Beginnings). Agencies provide persons experiencing homelessness with services for shelter and safe parking, food, clothing, hygiene supplies, financial assistance, case management and non financial assistance (such as assistance with application for services and obtaining required documents like identification and vehicle registration) and case management.

Agencies also connect persons experience homelessness with the County Department of Social Services, Mental Health Service Providers, County Public Health, Alcohol and Drug Detox Services among other community service providers to assist with either housing, reunification, and/or residential detoxification as needed.

Two of the 3 agencies provide outreach on a regular basis to unsheltered homeless in Lompoc. The outreach team includes a public health nurse, shelter services member and mental health worker.

Addressing the emergency shelter and transitional housing needs of homeless persons

The City provides funding to an Emergency Homeless Shelter that serve persons experiencing homelessness in Lompoc. The number of shelter beds at the Lompoc shelters totals 109 beds. The number of persons experiencing homelessness in Lompoc (per the last Point In Time (PIT) count for this CAPER in 2020) was 211. Beneficiary Data from the program that started in January of 2022, for this fiscal year reflects 9 vehicles and 13 persons served with a total of 380 nights in addition to 1 person obtained employment and 9 obtained permanent housing through counseling of the this Lompoc program.

Helping low-income individuals and families avoid becoming homeless, especially extremely low-income individuals and families and those who are: likely to become homeless after being discharged from publicly funded institutions and systems of care (such as health care facilities, mental health facilities, foster care and other youth facilities, and corrections programs and institutions); and, receiving assistance from public or private agencies that address housing, health, social services, employment, education, or youth needs

The City of Lompoc Community Development Program Manager was a governing board member of the County of Santa Barbara/City of Santa Maria Continuum of Care. The CoC oversees the Continuum of Care and Emergency Solutions Grant funding for the County of Santa Barbara. More recently, the CoC will be the administrative entity for new homeless initiative funding being distributed from the State of California. HEAP funding would be able to fund homelessness prevention services such as rental payments. By participating in this countywide effort, the HEAP funds would be allowed to be spent in the City of Lompoc to assist Lompoc residents.

In addition to participating at the policy level to increase funding for Homeless services in Lompoc, the City also provides CDBG funding for various human service activities that prevent homelessness such as utility payment assistance, childcare, food, clothing, counseling and fair housing services.

Helping homeless persons (especially chronically homeless individuals and families, families with children, veterans and their families, and unaccompanied youth) make the transition to permanent housing and independent living, including shortening the period of time that individuals and families experience homelessness, facilitating access for homeless individuals and families to affordable housing units, and preventing individuals and families who were recently homeless from becoming homeless again

The City continues to fund agencies who are direct service providers for homeless persons and/or at risk of becoming homeless.

CR-30 - Public Housing 91.220(h); 91.320(j)

Actions taken to address the needs of public housing

While the City of Lompoc did not utilize any CDBG funding to assist any public housing during the program year, the City continues to work with the local housing authority in ensuring public housing is maintained for low-income families and individuals.

Actions taken to encourage public housing residents to become more involved in management and participate in homeownership

CDBG funds have not been allocated to this City priority, but utilizing Affordable Housing Trust Funds the City has assisted 4 low to moderate income, first-time homebuyer with the purchase of their first homes in Lompoc with \$289,413.61 in financial assistance during this year of the Consolidate Plan period. Program information is provided to local housing authority residents to encourage participation.

The City has no troubled PHAs identified in the City.

CR-35 - Other Actions 91.220(j)-(k); 91.320(i)-(j)

Actions taken to remove or ameliorate the negative effects of public policies that serve as barriers to affordable housing such as land use controls, tax policies affecting land, zoning ordinances, building codes, fees and charges, growth limitations, and policies affecting the return on residential investment. 91.220 (j); 91.320 (i)

Housing supply and costs continue to be a challenge for providing affordable housing in Lompoc. They are affected by the amount of land designated for residential use and the density at which development is permitted. In order to address barriers to affordable housing, the City provides cost reductions to development through density bonuses and other incentives when low-income units are being produced.

Actions taken to address obstacles to meeting underserved needs. 91.220(k); 91.320(j)

The major obstacles include the high and sustained demand for public services, as well as the lack of financial resources. To address the obstacles the City provided additional funding for public services through an annual contribution of the Human Services Commission that conducts an annual fundraiser that raises approximately \$13,000 annually.

To address the lack of housing units, the City has adopted Accessory Dwelling Unit (ADU) standards. Lots zoned to allow single-family or multi-family use can add a separate unit with a maximum of 1,200 square feet to be built.

Actions taken to reduce lead-based paint hazards. 91.220(k); 91.320(j)

The City implemented HUD Lead Based Paint Regulations (Title X), which requires federally funded rehabilitation projects to address lead hazards. Lead-based paint abatement is part of the City's Residential Rehabilitation Loan Program and Emergency Repair Grant Program.

Actions taken to reduce the number of poverty-level families. 91.220(k); 91.320(j)

The City of Lompoc's anti-poverty strategy includes both policy initiative that address structural causes of poverty, and the funding of economic and social programs that enable low-income clients to move towards self-sufficiency and end the cycle of poverty. This enabled through funding and management of the City's public service activity grants. Activities funded through this program include: food pantry, homeless shelters, social services, emergency legal services, counseling programs, childcare and mental health services.

Actions taken to develop institutional structure. 91.220(k); 91.320(j)

In the City of Lompoc, there is a large network of experienced non-profit organizations that deliver a full range of services to residents. As a member of the County of Santa Barbara, the City is able to draw on other services that serve the County as a whole.

Through its federal entitlement and other resources, the City of Lompoc has interacted with various non-profit agencies and public service groups in the delivery of services and programs.

Actions taken to enhance coordination between public and private housing and social service agencies. 91.220(k); 91.320(j)

Coordination between public agencies providing housing resources, assisted housing providers, private and governmental health, mental health and human service agencies are critical to the delivery of viable products and services.

As stated earlier, in an effort to enhance coordination, the City participates in the Home for Good collaborative, Continuum of Care Board, as well as the COVID-19 Homeless/Housing Task Force.

Identify actions taken to overcome the effects of any impediments identified in the jurisdictions analysis of impediments to fair housing choice. 91.520(a)

The City provides funds for fair housing and emergency legal services through the Legal Aid Foundation of Santa Barbara County.

CR-40 - Monitoring 91.220 and 91.230

Describe the standards and procedures used to monitor activities carried out in furtherance of the plan and used to ensure long-term compliance with requirements of the programs involved, including minority business outreach and the comprehensive planning requirements

Community Development Division staff monitor project activities on a regular basis. Staff are well informed and stay up to date in regards to HUD regulations, and program requirements, such as Davis-Bacon Wage, Section 3, and Title X. Such requirements are also incorporated into all CDBG subrecipient agreements including programs funded with CDBG-CV funding.

Annual monitoring of 6 public service activities, Access Lompoc Program, Fair Housing Program and Emergency Home Repair Program was conducted and technical assistance was provided to ensure compliance with CDBG program regulations.

Citizen Participation Plan 91.105(d); 91.115(d)

Describe the efforts to provide citizens with reasonable notice and an opportunity to comment on performance reports.

A Copy of the 2021 Consolidate Annual Performance and Evaluation Report were made available to the public and interested parties beginning September 3, 2022 for a 15 day period.
