Bikes on Buses

Squeeze handle Place bike in and pull rack slot down rack

Grasp arm support

and pull over tire

Racks have been installed on the front of all COLT buses with easy to follow instructions.

Motorized bicycles are not permitted on COLT bicycle racks.

Bicycle racks are provided as a convenience for COLT customers. COLT is not responsible for the theft or loss of bicycles, or damage incurred or caused to bicycles while on the transit system, at a bus stop, or during loading and unloading process. Each cyclist will be responsible for any damage caused by the cyclist or bicycle while loading or unloading.

Remember to take your bicycle off the rack when you exit the vehicle. If you forget to remove your bicycle, call COLT at 736-7666.

Bicycle lockers and bike path maps are also available. Call 875-8266 to obtain a bike path map or to reserve a locker.

Planning Your Trip

The system map shows the COLT routes as bold lines. Street names are shown for reference only, as are many key points of interest. Using the System Map, determine which COLT route runs closest to your starting and ending points. If you need more than one route to complete a trip, it's easiest to transfer at one of the Transfer points.

Once you have located the correct route, follow these steps:

- 1. Make sure COLT offers service on the day you wish to travel.
- 2. Arrows along each route show the direction the bus travels.
- 3. Locate the intersection nearest to where you wish to board.
- 4. Read across the column to find the time that is most convenient.
- 5. Read down to find when you will arrive at your destination.
- 6. Please limit packages to 3 per person or to what can only be carried on by passengers in one trip.

If you would like assistance planning your trip, call our customer service at 736-7666.

Transfers

Transfers are designed to complete your one-way trip. If your trip requires the use of more than one COLT route, ask your driver for a free transfer when you pay your fare. Transfers are good for up to 30 minutes on any COLT route, except the one on which it was issued. It's easiest to transfer at Cypress and I Streets.

COLT vehicles stop at designated bus stops throughout the Valley. Each stop features an easy-to-read sign. Some stops feature benches and shelters. Make sure to be at the bus stop at least five minutes prior to the schedule time.

How to Ride COLT

Each COLT vehicle is equipped with two destination signs: one above the windshield and one on the outside of the bus. These signs identify the route the vehicle is operating on.

Have your exact fare ready – cash, monthly pass, or transfer. Drivers cannot make change. Take a seat immediately after entering and stay seated at all times. Please reserve the front seats for the elderly and disabled.

Customers in wheelchairs will board through the rear door. All COLT vehicles are wheelchair accessible.

Eating, drinking, or smoking are not permitted on board COLT vehicles at

As the vehicle approaches your destination, let the driver know you wish to exit. Please remain seated until the vehicle has stopped. After you exit, stand to the side of the road or on the sidewalk until the vehicle has pulled away. For your safety, do not cross in front of the vehicle.

Lost and Found

If you leave an item on a COLT vehicle, please call 736-7666 as soon as possible. Tell us what route/bus you were on, the direction you were traveling and the time and location you got off. You will be asked to provide an exact description of the lost item and telephone number where we may contact you. All items are held in our offices for safekeeping for up to 30 days.
