## Assessment

There is no change in the method and basis of levying the assessment. Pursuant to the LTID Management District Plan, the VL Board is authorized to increase the assessment rate to a maximum of five percent (5%) over the ten (10) year term of the district. The maximum assessment increase in any year shall be no more than one percent (1%). In 2019, the VL Board authorized an increase of one percent (1%), with approval by the Lompoc City Council, bringing the assessment rate from the initial two percent (2%) to three percent (3%) beginning in fiscal year 2020. The LTID shall remain at three percent (3%) for the fiscal year of 2023.

### *Assessment*

The annual assessment rate is three percent (3%) of gross short-term room rental revenue on lodging businesses. Based on the benefit received, assessments will not be collected on:

1. Stays of for a period of thirty (30) consecutive days; or
2. Stays by government employees on government business.

The term “gross room rental revenue” as used herein means: the consideration charged whether or not received, for the occupancy of space in a lodging business valued in money, whether to be received in money, goods, labor or otherwise, including all receipts, cash, credits and property and services of any kind or nature, without any deduction therefrom whatsoever. Gross room rental revenue shall not include any federal, state or local taxes collected, including but not limited to transient occupancy taxes.

The assessment is levied upon and a direct obligation of the assessed lodging business. However, the assessed lodging business may, at its discretion, pass the assessment on to transients. The amount of assessment, if passed on to each transient, shall be disclosed in advance and separately stated from the amount of rent charged and any other applicable taxes, and each transient shall receive a receipt for payment from the business. The assessment shall be disclosed as the “TID Assessment.” The assessment is imposed solely upon and is the sole obligation of the assessed lodging business even if it is passed on to transients. The assessment shall not be considered revenue for any purposes, including calculation of transient occupancy taxes.

Bonds shall not be issued.

### *Delinquencies*

#### **Original Delinquency**

Any lodging business which fails to remit any assessment within the time required shall pay a penalty of ten percent (10%) with a minimum of \$200 per occurrence of the amount of the assessment in addition to the amount of the assessment.

Any lodging business which fails to remit any delinquent assessment on or before a period of thirty (30) days following the date on which the assessment first became delinquent shall pay a second delinquency penalty of ten percent (10%) of the amount of the assessment in addition to the amount of the assessment and the ten percent (10%) penalty first imposed.

### **Fraud**

If the City determines that the nonpayment of any assessment is due to fraud, a penalty of a minimum of twenty-five percent (25%) or \$500, whichever is more, of the amount of the assessment shall be added thereto in addition to the penalties stated above.

### **Interest**

In addition to the penalties imposed, any lodging business which fails to remit any assessment due shall pay interest at the rate of one-half of one percent (0.5%) per month or fraction thereof on the amount of the assessment, exclusive of penalties, from the date on which the assessment first became delinquent until paid.
