The Business Terms

- The term for this Infinity Total Protection agreement is 4 years, starting upon execution of this agreement by both parties.
- The Infinity Total Protection price to the Customer for the 4-year term is US $554,000.
- The Customer will place a purchase order for the full Infinity Total Protection price to be invoiced and paid annually upfront. All prices and allowances under this agreement are in USD.
- Purchase orders under this agreement shall be placed through a designated Check Point authorized reseller. The Customer agrees to purchase the above offering from an authorized reseller according to the discounted price set forth above. If the Customer is unable to purchase the Infinity offering for that price (or lower) from an authorized reseller, Check Point will negotiate with its distributor a discount from Check Point's list price so that that Customer may purchase this offering from a reseller at the agreement's discounted price. For the avoidance of doubt, Check Point will not be involved in determining the price of the Infinity Total Protection offering to be sold from the authorized reseller to the Customer and such price will be determined solely by the authorized reseller.
- By signing this agreement, the Customer commits to the full 4-year Infinity Total Protection price specified above.
- Allowances
  - o The Customer's allowances are specified in the table above. Such allowances can be used only for acquiring Infinity products and services as specified in the attached Exhibit A. The list price for these will be deducted from the applicable allowance budget until fully used. The list price is defined as the price of the applicable SNBT/NGTX bundle in Check Point's product and service catalog at the time the product or service is ordered.

- o The Customer may utilize the applicable allowance allocated for each year of the term only during that specific year to acquire the applicable products and services per its needs. Unused portion of the annual allowances will not be carried over to subsequent years. Notwithstanding anything to the contrary, the Customer may 1) pull forward up to 25% of the Product Allowance from Year 2 to Year 1 and 2) rollover up to 25% of the Product Allowance from Year 2 into Year 3 and/or Year 4.
  - o Any product and/or services acquired exceeding the applicable annual allowance will be considered outside the scope and coverage of this Infinity Total Protection agreement and will need to be purchased separately.
- The Customer will be entitled to special benefits as stated in the table above.
- All Infinity products and licenses are placed in a dedicated user center. The Customer may not transfer products and licenses from existing user centers to the dedicated Infinity user center and vice versa.
- All shipping, handling, duties and taxes costs associated with the products and services provided herein will be borne by Customer and added to the purchase order if any as applicable.
- The products offered under this Infinity Total Protection agreement are covered with Check Point's Direct Premium PRO Support SLA, as per the attached *Exhibit B*.
- The Customer agrees to become Check Point's Infinity reference. Check Point may refer to the Customer its potential customers from time to time for reference.
- This agreement will only become effective upon signing thereof by Check Point's authorized personnel.

By signing below the Customer acknowledges and agrees to the terms stated above and in the attached exhibits.

Exhibit C - Terms and Conditions

1. **End User License Agreement** – Installation and use of Check Point products and services are subject to the applicable Check Point license agreement (EULA), as available at Check Point website.

2. **Software License** – Entitlement to support and services for all software products (e.g: OpenServer licenses), including for software licensed on perpetual basis (if any), is valid only during the applicable license term or until expiration/termination of your Infinity offering, whichever is earlier. Upon their expiration, the software licenses will remain within the Infinity User Center and will be available for renewal, in accordance with Check Point's support life cycle policy.

3. **Fair usage** – Use of the services are subject to Check Point's fair usage restrictions which may limit the service capacity based on the Customer's organizational size, user count and business.

4. **Existing Check Point Customers** – The service and support for existing Customers cover only the products installed as part of the Check Point Infinity Total Protection. Existing install-base will continue to require separate support and services.

5. **Sizing and Quantities of Hardware and Software** – Per Check Point's discretion, hardware quantity and software requirements will be agreed upon based on the Customer's current traffic, needs and projection traffic growth for the term of the agreement.

6. **Auditing** – Check Point reserves the right to audit the Customer's records to verify compliance with the terms of this offering.
