Executive Summary

Background

Congress passed the Coronavirus Aid, Relief, and Economic Security (CARES) Act and the President signed it on March 27, 2020 authorizing \$2.2 trillion in a variety of stimulus measures to prevent, prepare for, and respond to the COVID-19 pandemic. The law includes a special allocation of the Community Development Block Grant (CDBG-CV) to enable communities to effectively address the impact of COVID-19 in their communities, especially for low- and moderate-income residents.

Sources

The City of Lompoc will receive the following grants from HUD under the CARES Act:

CDBG-CV3	\$394,259
----------	-----------

These funds are separate and distinct from the City's regular CDBG funds. As of April 2021, HUD continues to release guidance for these programs containing modified program requirements. Subject to the CARES Act and emerging policy from HUD, the City Council is responsible for determining how CDBG-CV funds will be used to prevent, prepare and respond to the COVID-19 virus. In consultation with key City departments and partners serving the needs of low- and moderate-income in the community, this submission to the City Council requests approval to invest CARES Act funding for the CDBG-CV3 project listed below.

Proposed Uses of Community Development Block Grant (CDBG-CV3)
