

DATE: October 11, 2023

TO: Planning Commission Members

FROM: Brian Halvorson, Planning Manager

SUBJECT: Agenda Item #1: Housing Element Update (GP 21-02)

Staff recommends that Item #1 be continued to a Special Planning Commission meeting to be held on October 25, 2023.

This will allow additional time for staff and the consultant to provide the Commission with a revised Housing Element for consideration which incorporates comments from the Commission, Community, and the Department of Housing and Community Development.
