I received a "Notice of Public Hearing" regarding my property across the street from the 1400-1500 block of Riverside Dr. The property is listed as #39 on this list. The parcel is identified by number as 093-051-006.

I am requesting that my property be removed from the "Identified Vacant and Underutilized Sites" list that is referenced in the proposed 2023-2031 Housing Element Update.

I do not intend to develop my property beyond its current use in the next eight year cycle of the 2023-2031 Housing Element Update Cycle.

Sincerely,

A handwritten signature in blue ink that reads "Jonatha Gibson Linn". The signature is written in a cursive style with a long horizontal flourish at the end.
