From: The Lompoc Beautification & Appearance Commission

Subject: 2023 Annual Report

The Beautification & Appearance Commission held eight (8) regular meetings. All regular monthly meetings are held on the second Tuesday of the month at 4:30 p.m. in the Administrative Conference Room located at City Hall. In addition to regular meetings, the Commission held four (4) Special Meetings and various community events. A list of these special meetings and community events is attached for your review. All programs of the Commission are self-supporting and operate without contributions from the City.

It has been a sincere pleasure for all of the Commissioners to serve our City over the last year. We look forward to another year of beautification in Lompoc. As always, the Beautification & Appearance Commission welcomes comments and suggestions for improving and expanding our services to the citizens of Lompoc.

Respectfully Submitted,
