Subject: Support of Space Base
Date: Friday, May 17, 2024 11:16:48 AM

Hello I wanted to voice my support for the space space coming to Lompoc. I am a local homeowner and a local parent of students here that would greatly benefit from the tax revenue! Also I think it would be really great to see more local employment and help to clean up that Chaparral area where there has been Transient fires in the past.

Thank you!!
