**SUBJECT:** Adoption of Resolution No. 6693(24) Updating the Adopted 2024 Bail Schedule

---

### **Recommendation:**

Staff recommends the City Council:

- 1) Hold a public hearing; and
- 2) Adopt Resolution No. 6693(24) (attached) to update the 2024 Bail Schedule adopted on June 18, 2024.

### **Background:**

Penal Code Section 1269(b) requires the Superior Court Judges of every county to prepare, adopt and annually revise a uniform schedule of bail for misdemeanor offenses. In addition to the uniform schedule of bail, the municipalities may submit bail schedules for their municipal code violations. Bail schedules determine the monetary amount for infraction and misdemeanor violations of municipal codes.

On June 18, 2024, the City updated its bail schedule to reflect updated fine amounts. However, two fine amounts were missed in that update.

### **Discussion:**

When the bail schedule was adopted for 2024, two fine amounts were missed by staff: Vehicle Code 22500(l) blocking wheelchair access, and Vehicle Code 22523(a) abandoned vehicle on highway. In addition, 374.3(a) should be deleted. Staff recommends an updated bail schedule be adopted by the City Council as attached to Resolution No. 6693(24).

**Fiscal Impact:**

There is no fiscal impact for the adoption of a bail schedule.

**Conclusion:**

Adoption of Resolution No. 6693(24) will enable the City to provide the Superior Court with an updated 2024 Bail Schedule that can then be amended from time to time.

Respectfully submitted,
