The Santa Rita Hills Winegrowers Alliance includes both vineyards located within the geographical boundaries of the appellation, and those who craft wines from grapes grown here.

FLOWER FESTIVAL is a colorful salute to the "Valley of the Flowers" and is usually held the last full weekend in June. The parade is a spectacular display of valley-grown blossoms adorning creative and colorful floats which join multiple bands and other marching units. Events continue throughout the community with a nationally-recognized flower show, arts and crafts booths, a carnival, tours of the flower fields in bloom concerts and other entertainment.
